Arthroscopic Training

Dear friends

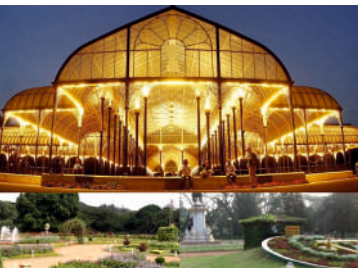

Surgical Skill Development Center along with Ramaiah Advanced Learning Center is organizing Cadaveric Arthroscopy Courses which will be intense one to one learning experience with national and international experts in arthroscopy. This is course with limited registration with personal learning experience.

Happy Learning !!!!!!!

Dr IPS Oberoi
Convener,
Surgical Skill Development Center

Dr. Naresh Shetty
Chief
Ramaiah Advanced Learning Center

- Each participant will have opportunity to work on cadaver and perform Surgical Steps
- Limited registration allows a more personal learning experience
- High Lab to lecture time ratio
- Class faculty and One master instructor per four surgeons
- Equipment from numerous manufacturers available
- An objective, unbiased approach to all subject matter

About Ramaiah Advanced Learning Center

Ramaiah Advanced Learning Centre established in Dec 2011 has a State of art, one of its kind Surgical Skills Lab, which is a part of the Center's efforts towards supporting the education and training of students as well as Qualified Professionals. This Cadaveric Research and Training unit has been developed with the intention to provide opportunity to learn in a "Operation theatre" like atmosphere and a 'near life' like specimen to work on. To facilitate the Skill lab, the center also boasts of a technically well-equipped Multi media center.
