M S Ramaiah Advanced Learning Centre

M S R Advanced Learning Centre is a unique and world Class Cadaver Surgery training center dedicated to provide quality training in all surgical specialties. Facilities are available for open surgery as well as all types of minimally invasive surgeries.

Arthroplasty has a steep learning curve. Learning this useful procedure on a cadaver simulating the live patient is an experience in itself.

The objective of cadaveric arthroplasty knee workshop is to train young surgeons and orthopaedic residents to better understand and revisit the anatomy, familiarise with basic arthroplasty set up, understand and learn knee instrumentation and get the actual surgery feel and enjoy hands on experience with knee arthroplasty.

Dr. D. C. Sundaresh
President
M S R Advanced Learning Center
