Dear Vascular Colleague,

We are extremely happy to offer to you a complete Hands-on Course in Vascular Surgery. We have gone the extra mile to see that we give everyone ample opportunity to operate individually during the workshop.

We have put together a curriculum in two levels. Module 1 will be for the junior trainees and Module 2 will be for the senior trainees and practicing Vascular Surgeons.

Due to the amount of interest in the course, we aim to accommodate 20 surgeons for Module 1 and 10 surgeons for Module 2. Each station will have an experienced member of the faculty mentoring and taking you through all operative exposure and surgical steps.

THE WORKSHOP WILL BE CONDUCTED OVER 2 DAYS OCT 3RD & 4TH 2022 BETWEEN 8:30 AM & 5:00 PM

MODULE LEVEL - 1

- Exposure of femoral & popliteal arteries (above knee)
- Arterial access & control
- Femoro-popliteal bypass
- Exposure of brachial & axillary arteries
- Arterial access & control
- Brachial embolectomy
- AV grafting brachio-axillary
- Exposure of sapheno-femoral junction
- Trendelenburg procedure
- GSV harvesting (until knee)
- Exposure of radial & ulnar arteries
- Exposure of cephalic / basilic veins
- AVF creation

MODULE LEVEL - 2

- Exposure of below knee popliteal artery & trifurcation
