OASISCON-2012

Invitation

Dear Members,

On behalf of the organizing committee of OASISCON 2012, Bengaluru it is our pleasure to extend a very warm welcome to each one of you. We are fast approaching the next OASISCON at Whitefield, the hub of IT industry in Bangalore. Remember the dates of the conference, which is 24th to-26th August, 2012 and be sure to attend with your friends and family.

We are living in a very exciting scientific period with considerable advances happening in the field of orthopaedics. The theme of the conference would be COMPLICATIONS - CHANGING YOUR MINDSET.

A Cadaveric workshop, prior to the conference will be conducted at the State-of-the Art , Advance school of learning at the M.S. Ramaiah Medial College campus at a very subsided nominal fee for the delegates of the conference.

The CME will be on Upper Limb problems and the Hands on workshop at the conference venue will be conducted under the aegis of Karnataka Orthopaedic Association. This will be the first time in OASIS that a State Association has come forward to conduct the event and it augurs well for the association so that we could be utilizing lot of local talents in the activity of the association.

To ensure you have the best of Academics and Fun we have got some excellent residential packages around the venue. We want you to have a very comfortable stay and we are sure with the lovely climate of Bangalore, you will have a great time. The Residential package includes registration for the delegate and is available on first cum first serve basis. Bangalore is easily connected by Rail, Road and Air and we are sure there would not be any problem finding your way to the garden city. Please come with your family to chill out in the august climate of Bangalore and, combined it with learning.

In Life you only get such opportunities rarely-- It is for you to take the Choice
