VAST – Vascular Anastomosis Skill and Training Workshop

June 9, 2023

Organized By:

**Department of Vascular and
Endovascular Surgery**

Ramaiah Medical College, Bangalore

Venue : Ramaiah Advanced Learning Center

VAST – Vascular Anastomosis Skill and Training Workshop

VAST has been designed for general surgery post graduates. Keeping in mind that vascular surgery is a discipline which needs years of dedicated practice to master the Fine skills, which cannot be taught in one day. This course will be an eye-opener for the budding surgeon who is contemplating venturing into the world of vascular surgery.

This course will indeed give you a flavour of what you can expect in this discipline. This one-day course conducted in the high tech state of the art lab in Ramaiah Advanced Learning Centre, guides participants through a series of lectures, demos & hands on session on suturing techniques & instruments used in vascular surgery.

This course can be considered as a first step for training in vascular surgery and at the completion of the course one should have a fair idea in handling vascular emergencies – arterial and venous. The participants will be giving a certificate on successful completion of the course.

This course would benefit post graduates from department of surgery/ orthopaedic/ OBG/ ENT.

Course date: JUNE 9th, 2023
